

CMULTIFPE C05-402

## Multifunction front panel with eSATA

This multifunctional internal front panel allows you to conveniently connect all necessary accessories at the front of the PC like a printer, scanner, microphone, speakers, photo- and video camera, keyboard etc. No extra accessories like a hub and a card reader on your desk are needed anymore. The panel comes with 3 different colours (off-white, silver/ grey and black) to match your computer colour.
